Wait!  
Taxi!  
Look at that taxi!

I thought this only happened in films.  
Take anything you want. It's not very cheap.  
Thank you very much.

What I want is that you don't lose sight of that taxi.  
Don't shout. Everything is under control.

Is this mambo bothering you? No. I have all sorts, eh? Heavy metal, soul, rock, cumbia, I hate sevillanas, salsa, techno-pop, jotas; whatever you like.

If you want, I turn this mambo down. I love mambo.  
The thing is mambo, is what goes best with this type of decoration.

You were on telly, you are the kidnapper's mum, ha-ha!  
How funny! Yes.

If you don't mind, would you give me your address?  
No, sure.

It's for my girl, please write something emotional, eh?  
What's her name? Azucena.

I think they are stopping.  
What's this direction?

Almagro, 38. What I don't know is the floor.  
She's waved at you. She has realised, eh?  
Who cares...

Right. And, where shall we go now?  
Montalbán 6. And, thanks.
