

Natural Law Dominoes

Cut up (in pairs comprising the key term and shaded definition) and then jumble up for an activity sorting them into the right word and definition.

Law designed into nature	Phronesis	Practical wisdom to choose	Synderesis	Innate sense of good	Primary precepts
Observable goods	A posteriori	Reason from experience	Secondary precepts	Applications of the primary good	Worship God
Pray and go to church	Live in society	Respect the law	Education	Pursue wisdom and knowledge	Reproduce
No abortion or contraception	Preserve life	Don't murder	Eudaimonia	Happiness or flourishing	Our highest duty
To obey God	Eternal Law	Exists in the mind of God	Divine Law	Is revealed in the Bible	Natural law
