

Define the Divine Teacher Instructions

Purpose:

The purpose of this activity is to review / revise key words and terms associated with the EDUQAS Christianity Component 2 (Compulsory Unit for GCSE).

Instructions

Players divide into groups of two or more.

Each team member takes a turn at being a DESCRIBER or GUESSER. All players MUST take their turn at being describers. No matter how big the team, there are never more than two describers.

- Teams of 2 players have 1 describer and 1 guesser
- Teams of 3 players have 2 describers and 1 guesser
- Teams of 4 players have 2 describers and 2 guessers

Advanced players may wish to have only 1 describer per turn, whatever the team size. This should be decided at the start of the game.

Playing the Game

The describers take a card from the front of the pack and begins to describe the key word at the top of the card WITHOUT USING THE THREE WORDS PRINTED UNDERNEATH THE KEY WORD.

When a team member shouts out the correct answer, that team member gets a point.

Play passes on to the next member of the group. The GUESSER becomes the DESCRIBER etc.

Describers must be careful not to break any of the description rules (see below). If they break one of these rules they forfeit the turn.

Description Rules

When describing you MUST NOT:

- Say what letter the word starts with, or how many letters it has
- Say the word or any derivative eg. if the word is "post" you may not say "postage" or "postman"; for "swim" you may not say "swimmer" etc.
- Use "rhymes with" or "sounds like" type clues.

When describing YOU MAY:

- Choose to PASS and not play a card - but only once each turn
- Gesticulate, act, mime (NOT mouth the word).
