## Year 9 Geography Why do people migrate?

## Objectives:-

By the end of this lesson you will:-

- Understand the many reasons why people 'migrate' from one place (or country) to another
- Understand what is meant by 'push' and 'pull' factors

## Group task:-

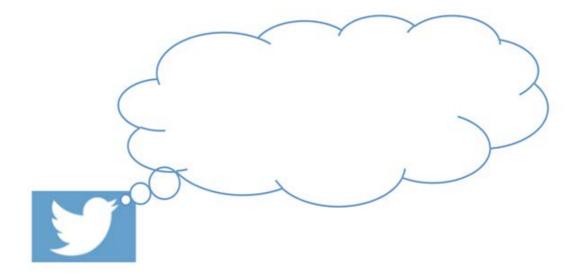

Complete the following table:-

Reasons why people leave a	Reasons why people are attracted to a
country/region	country/region

Summarise the causes of migration as a 140 character Tweet...

Time to Reflect...
What thinking strategies have you used in today's lesson?
