

Based on your knowledge of ethics, identify the ethical issues associated with the following topics. Give as much detail as possible, then explain how you would deal with them. Remember ethics are present throughout the research process.

Topic:	Ethical issues:	How they can be dealt with:
1. Bullying amongst young children.		
2. Delinquent and anti-school subcultures.		
3. Experiences of being homeless.		
4. Whether boys and girls are brought up differently.		
5. Employees from different ethnic backgrounds experience different levels of job satisfaction.
