

# Different Perspectives

One person is to read the article about the twins in The Times and the other is to read it in the Daily Mirror. Complete the table, answering the questions in as much detail as you can using language from the respective articles.

	The Times	Daily Mirror
Who was involved?		
What happened?		
Where did it happen?		
When did it happen?		
How did it happen?		
Why did it happen?		

What do you notice about the difference in content and how the articles convey this information? Why do you think that is?
