

You have been given the task of coming up with some ideas for a music video for a new song called 'Roar'.

- Read the lyrics on the left, focus on language.
- Make notes about meaning, how the words make you feel and the narrative.
- Sketch images of shots you would use in your video to accompany each verse/chorus.

**Extension:** Try to name the camera shots and explain how the camera would move.

<p>I used to <u>bite my tongue</u> and <u>hold my breath</u>          Scared to <u>rock the boat</u> and make a mess          So I sit quietly, agree politely          I guess that I forgot I had a choice          I let you push me past the breaking point          I stood for nothing, so I fell for everything</p>	<p><b>Notes</b></p>

<p>You held me down, but I got up (HEY!)          Already brushing off the dust          You hear my voice, you hear that sound          Like thunder gonna shake the ground          You held me down, but I got up (HEY!)          Get ready 'cause I've had enough          I see it all, I see it now</p>	<p><b>Notes</b></p>

I got the eye of the tiger, a fighter,  
dancing through the fire  
'Cause I am a champion and you're  
gonna hear me roar  
Louder, louder than a lion  
'Cause I am a champion and you're  
gonna hear me roar  
Oh oh oh oh oh oh oh  
Oh oh oh oh oh oh oh  
Oh oh oh oh oh oh oh  
You're gonna hear me roar

Now I'm floating like a butterfly  
Stinging like a bee I earned my stripes  
I went from zero, to my own hero
