

The following tweets were various responses to Trump's recent election.

- Categorise the tweets so that you can analyse the tweets in groups rather than individually (this will help when it comes to your exams).
- Annotate the tweets, analysing how language has been used to suit form. How does language use differ based on context?

A wave of hate crimes that followed Donald Trump's election win has led to new unity among American Muslims and Jews

#### Both Feeling Threatened, American Muslims and Jews Join Hands

The two groups are putting aside divisions to combat a wave of Islamophobia and anti-Semitism since Donald J. Trump's election, and to resist whatever may come...
